World Light Funding

Would you Pay \$59.00 one time to Help The Poor, the Sick, the Homeless,
And possibly Earn a **1,000** Dollars
MONTHLY ?

Decades of prosperity have done little to advance the causes of the sick and needy around the Globe. The founders of World Light Corporation (www.WorldLightFunding.com) have decided to do their share. Out of it's own operating budget, World Light Corporation (www.WorldLightFunding.com) will donate the equivalent of (10%) ten percent of our Members earned commission to a NON PROFIT MEDICAL OR HUMANITARIAN ORGANIZATION.

All we ask of our new Members is to choose the Organization they would like to support out of a selected list of Charities. Members can enjoy the personal satisfaction of knowing that their success is benefiting those in need around the Globe.

It's a very simple system. As part of the completed Application Form, new members will be asked to choose one (1) of the selected Non Profit Organizations, which will then be added to the Member's Profile.

Using a round number for our example, if earnings for a given month total \$1000.00, a check for that amount will be issued and mailed directly to the Member. At the same time, a second check for \$100.00 or 10%, will be issued and mailed directly to the Non Profit Organization indicated in the Member's Profile.
